```
PART NUMBER INQUIRY
99920 CASH SALE * C.O.D. Only
0000-0000

Line Code : LEX Scan or Enter Part Number: 1040440

Check for Alternate and Substitues Part Numbers (Y or N): Y
INSTRUCTIONS: Enter a part number above. If prompted enter a line code. If the
part number has alternate or substitute parts you will be shown
a summary screen. Choose the part number you wish to view more
information on by entering the letter to the left of the part.
If any of the part numbers or alternates have extra information
on them then a number will appear beneath the letter. Enter the
number to view the extra information. If the part number has no
alternate or substitute numbers then you will go directly to the
screen for viewing detailed data for the part number.
